

November Meeting notes

There were 21 members present for the November meeting. These members brought lots of knives to be traded and bought or sold.

There is still no club knife determination for 2020. Hydrick is working on it and has several angles he is looking at. Hopefully we should have some options available in the next few months.

December is rapidly approaching and that is the month for our annual Christmas feed and party. This is always a great time of fellowship and good will. We certainly hope for a great turn out for this as we always have a great time and it is enjoyed by all. So bring your significant other and a dish to share and join us at the December 3rd meeting for a great celebration. See if you can identify the years of past Christmas dinners from the pictures elsewhere in the newsletter. There MAY be a prize for you if you get it right! Come to the celebration. We promise you will not be disappointed.

Members, we still need someone to take over the duties of putting the newsletter together each month. This old fellow we have doing it now is just getting tired! Those almost 83 years of his life is beginning to show on his daily responsibilities and activities.

With that I will wish everyone a very Merry Christmas and A Happy New Year! I hope you and your family receive the Love and Fellowship of the true Christmas season!
