## June Meeting Notes

There were a total of 26 members present for the June meeting. That is a pretty good number of folks for a meeting in the good old summer time! Several members had knives on display and or for sale including: Ralph Smith, Hydrick Stewart, Jerry Riddle, Terry Mabry, Perry Garrett and Lorraine Peace.

The annual election of officers were held and those present voted to keep the same slate of officers in for another year and they accepted. A discussion was held about a newsletter editor but no one volunteered for that! I'm sure those present did not understand the whole picture or someone would have jumped at that opportunity! We will check again next month to see how things are progressing.

Late news were received that Tony would not have the 2019 club knives at the Blade Show in Atlanta as was previously reported. Officials are not sure of the cause for the delay but hope to have them by the August meeting. Well, here we go again! There seems to be a phobia about delivering knives from the supplier on the promised time. I've been close to the delivery of our club knives since day one and can't remember of any being on the promised time except the first one in 1976 which was hand delivered by the person who helped us secure them from Queen. That's one of the questions I want to ask Dean Babb and James Runyon when I get to Heaven!
