## Thank You

Allow me to take this opportunity to thank each of you for your thoughts and prayers for my wife Frankie during her heart surgery on January 22 and the recovery period since. I am reporting that she is recovering very well and growing stronger by the day. She had to have the mitral valve repaired in her heart to prevent blood from bypassing going out into the system. We were lucky to be able to repair rather than replace, even though the chest had to be opened up. Modern medical technology is a gift from God! We give Him the credit.

Also, Hydrick is recovering nicely from his neck surgery a few weeks ago. Hopefully this will eliminate some pain he has been saddled with for some time. We certainly wish him well..

The next scheduled meeting will be Tuesday, March 5, 2019 7pm at the Greer Recreation Center. Be there and catch up on the latest.

## 2019 Show Dates

The dates for this year's show has been set for May 3 & 4. The show will be held at the Tryon Park Recreation Center, Oakland Street in Greer, same location as past years. Dealer tables are still \$50.00 each. If you need a table, contact us early on as we ran out of space last year. (See attached flyer for information)

The attendance was good at the January and February meetings. We gained 2 new members, Bill Powell of Boiling Springs, SC and Roland Funke of Inman, SC. Bill was a founding member of Ohio's knife club and we are glad to have him here. Welcome aboard men. We look forward to a long relationship.

The 2019 Palmetto Physicians knife is going along well and sales will stop with the April meeting. If you want to get one of these knives for your collection, please do so now. The price is \$175.00 delivered to you if you are not able to pick it up at a meeting.
