

February Meeting Notes

We had one of the largest turn out of members for the February meeting that we have had in a while. They brought with them many knives to be displayed and sold also. This is what it is all about for our monthly get togethers.

We learned also that member Dave Merrick has some health issues, but learned also that he is on the mend and does plan to attend this year's show in May. We also would like to welcome new member, Dennis Fleming. We look forward to a long relationship with Dennis.

Hydrick and Tony's Knives are working on a deal for this year's club knife with Boker. Nothing is firm yet but looks promising. Details will be released as they happen.

The May 1 & 2 show is coming along well and preparations are coming together. Dealer tables are going good and remember, the last three years has been a sell out. If you plan to have a dealer table, please reserve ASAP. Also, we are in need of goods for door prizes. If you can donate anything, knives or otherwise, let Randy or Hydrick know. Let's make this one the biggest and the best ever!

Show information and flyer went out with the February newsletter. If you need more, let us know.
