## September Meeting Notes

The September meeting was devoted mostly to the serial number drawing and distribution of the 2019 Doctor's knife. Here again was the luck of old lucky Johnny "Horseshoe" Mills who drew number 1. A list of all others are attached to the newsletter for information to the other members. It is a beautiful piece and will make a fine addition to our collection.

There were 19 members present for the meeting. Among other things Hydrick updated the meeting on Willis Peak who is recovering in rehab from a recent fall. We also learned that we lost another member, Clarence Jeffcoat, passed away over the summer.

Hydrick also reported that he has several dealers working on options for the 2020 club knife. Sure hope we can stay with pearl!
