August Meeting Notes

There were 18 people attending the August meeting including Jerry Riddle's grandson Nate, who we were very happy to have visit. Always good to have young people visit us and show an interest in cutlery. We also welcome Reba Stewart back to the monthly meetings! Reba recently retired and takes on the job of keeping Hydrick in line. Good luck on that!! Never has happened. Congratulations on the retirement though!

We had quite a few knives on display/for sale this month. Jerry Riddle brought in a huge collection. Richard Wood, Hydrick and Larry Cox also had knives on display.

There are a few of our members who need our every day thoughts and prayers as they recover from recent ills and mishaps: Willis Peak who suffered a recent fall and injured his back. He is in rehab now and may face surgery. Frank Glenn under went eye surgery recently and Tony Foster is progressing well from a recent bone marrow transplant and is expected to be at the Lexington, KY show.

2019 Club Knives

Hydrick has received word that the club knives will be delivered to him at the Lexington show in August. This means the knives will be at the September meeting and we will have the drawing for serial numbers and distribute them to the members who have purchased one. Remember, if you still owe a balance, that will need to be paid before the knife is delivered to you. If you live away a distance, then we will mail it to you.

Most everyone has renewed their membership for the upcoming year. Remember to take care of this if you haven't yet. These dues help cover the cost of the monthly newsletter.
