August 2010

Meeting Notes

Hydrick began by stated the gun show circuit will soon be starting up. Come September there will be shows in our area. This information will appear in our next newsletter as well, but here's three shows in South Carolina in September -- Sep 11-12 Charleston, Exchange Park Fairgrounds; Sep 18-19 Greenville, Carolina First Center; Sep 25-26 Florence, Florence Civic Center.

Then Hydrick read a note of apology from Bill Hunt. If you recall last month Bill had suggested to Hydrick he not have his photo in the newsletter all the time, it would make the newsletter better. Bill wrote this in response: My apologies to our dedicated, capable and very photogenic president. Thanks Bill for another good chuckle for the club.

Hydrick reported that the flea markets have been closing up early due to the extremely hot weather conditions.

Jerry reported that he has our 2010 club knives in his possession. Next step-- getting the etching done. If all goes well, this will be done by the end of August. If that happens, Hydrick will be able to pick them up on one of his planned trips and this will save us shipping costs.

Jerry and Hydrick found a knife maker at the Blade Show that may be an option for us to purchase our 2011 or another year club knife. The company is Taylor's Eye Witness (<http://taylors-eye-witness.co.uk/>) in Sheffield, England. Each knife is made completely by one person – start to finish. The knife comes with a letter of authenticity. Hydrick is still talking with the sales representative and had a sample for us to see. The cost is higher than the last few we've chosen, coming in around \$250. Another option for us to consider and everyone seemed

to think the quality would meet our standards.

Hydrick reported we have another knife donated for our August membership drawing. It's a custom made knife donated by Eddie Elsmore. It is handled with Australian Lace Wood also known as Australian Silkey Oak. Thank you Eddie for your support. Here's a picture of the knife.

To be eligible for the drawing you must have renewed your dues for 2011. This drawing will be open to all members of the club.

Lastly, it was time for the monthly membership giveaway. Ever heard the saying, the third time is the charm? Well, this was how it went for the giveaway. Claude Montjoy's name was the third one drawn. Congrats Claude and thank you to M & J Coins for the donation.

What has America become?

- If we lie to Congress, it's a felony but when Congress lies to us...it's politics.
- We are unable to close our border with Mexico but we have no problem protecting the 38th parallel in Korea.
