July 2010

Meeting Notes

Despite the terrible thunderstorm, we had great attendance, some a little soggy, but made it through the storm.

Hydrick started with a report on the show circuit. Seems most shows are down in attendance, around 30%, more lookers than buyers.

Next we talked about our show. Attendance started out good each day, fell off in the afternoon. We had two door prizes and the lucky winners were Ben Johnson of a Case Canoe and Brett Swann of a Case Staghorn. Congratulations to them! Overall the show was a success. Thanks to all in whatever way you helped with the event. It's not just the board and officers that keep our club going, it's all of the members. Whatever your part, finances, food, setup/takedown, greeting -- **THANK YOU for your support!!**

Then we were on to the monthly membership drawing. This time it was for a Montjoy custom knife. And, to win this month's drawing the member needed to be present. It took 6 drawings and the 6th was the lucky winner. Pictured below is Mark Roberts with Claude Montjoy. You will notice our president is not pictured in this issue with the winner. Why? Fellow member, Bill Hunt, brought it to Hydrick's attention that he thought the newsletter could be a bit better without his photo in it everytime. Of course I thought Bill wanted to be the "new" newsletter editor. Thanks Bill. We all had a great laugh with this.

Mark and Claude -- without Hydrick.

June is the month we elect officers and board members. It was unanimous that the current officers and board members be retained for another term. Thanks for the great job you do!

Our July knife drawing will be for members at-large and the knife, pictured below, has been donated by M & J Coins.

Some Unique or historical celebrations on the Fourth of July

-- Held since 1785, the Bristol Fourth of July Parade in Bristol, Rhode Island is the oldest continuous Independence Day celebration in the United States.

--The famous Macy's fireworks display usually held over the East River in New York City has been televised nationwide on NBC since 1976. In 2009, the fireworks display was returned to the Hudson River for the first time since 2000 to commemorate the 400th anniversary of Henry Hudson's exploration of that river.

--The Boston Pops Orchestra has hosted a music and fireworks show over the Charles River Esplanade called the "Boston Pops Fireworks Spectacular" annually since 1973.

--On the Capitol lawn in Washington, D.C., "A Capitol Fourth," a free concert, precedes the fireworks and attracts over half a million people annually.

HAVE A SAFE AND HAPPY FOURTH
