October Review

There were 16 members present for the October meeting. Frank Glenn presided (our able bodied VP) over the gathering because our main man was traveling! Believe it or not...A real reliable source states that the 2020 knives will be delivered at the November meeting! Who would have ever thought it. Right on time!! That so called pandemic really put a hurting on us for 2020. Sure glad that is all behind us now. So, come and get your knife if you purchased one for that year. Who can remember that far back anyway!

Also at the meeting, Frank donated a raffle knife and gave all present a ticket for the raffle. Roland Funke was the lucky member. It does pay to come to the meetings!

There are a lot of shows scheduled for the months of November and December. Try to catch one if you can.
